Insights: - HR is actively hiring while Sales is not, despite having a larger budget and more employees. - The average salary range is relatively low, potentially impacting candidate attraction and retention. - Despite having a smaller budget, HR is the only department making offers. ### Recommendations: - Investigate why Sales isn't hiring despite its larger budget; reallocate funds if necessary. - Review and adjust the average salary range to ensure competitiveness within the market. - Analyze HR's recruitment strategy and budget allocation to identify best practices that could be applied to other departments.
